ASX ANNOUNCEMENT

7 June 2024

SIGNIFICANT CONTRACT AWARD

RemSense Technologies Limited (ASX: REM) ("RemSense") is pleased to announce that it has received a Purchase Order from AGC Industries Pty Ltd on behalf of Chevron Australia to undertake virtualplant high-resolution photogrammetry scanning and image processing of Chevron's Gorgon LNG Train 1 in northwestern Australia for a contract value of $534,195.33.

The work is scheduled to commence in October this year and follows on from the successful completion of six previous projects at Chevron's Wheatstone, Gorgon and Janz-IO facilities.

Warren Cook, RemSense CEO said:
This contract award underscores the ongoing recognition of RemSense's innovative solutions and the significant value our technology and services bring to the market. We are excited about the increased interest from companies, large and small, domestically and internationally, across several market sectors."
